Since 2013-14 onwards the NRHM programme has been subsumed under the umbrella programme of the National Health Mission (NHM). NHM is overarching NUHM and also includes Communicable and Non-Communicable Diseases (NCD) as well. The NHM seeks to provide accessible, affordable and quality health care to the population, especially the vulnerable sections.

The NHM has provided an umbrella under which the existing Reproductive and Child Health Programme (RCH) (including RCH, Routine Immunization (RI), Pulse Polio Immunization (PPI) and National Iodine Deficiency Disorder Control Programme (NIDDCP)), Health System Strengthening under NRHM (including Other Health System Strengthening, Ayushman Bharat –Health & Wellness Centre (AB-HWC) and Asha Benefit Package (ABP) including facilitator payment, various National Disease Control Programmes (NDCPs) and Non-Communicable Diseases (NCDs) have been repositioned. 4. Institutional and Funding Arrangements:

For the implementation of the above programmes, MoHFW has required the creation of an Integrated Health Society at the State and District levels (registered as a legal entity at the State and District under Societies Registration Act, 1860). Such integrated State Health Society (SHS) works in close coordination with the Directorate of Health & Family Welfare and District Health Societies (DHSs) work in coordination with the District Collector and District Chief Medical Officer (CMO). Program implementation is done through its District Chief Medical Officer's office, Blocks, Community Health Centres (CHCs), Primary Health Centres (PHCs), Sub- Centres (SCs), Rogi Kalyan Samities (RKS) and Village Health Sanitation & Nutrition Committees (VHSNC). Certain activities may be managed at the State level such as drug procurement, IEC, civil works, training using specialized entities such as SIHFW, IEC Bureau, PWD, the Directorate of Health and Municipal Corporations for the urban health components. In addition, funds are also released from SHS/ DHS to NGOs and private entities under public private participation (PPP) arrangements.

Funding & Accounting Arrangements:

Funds for the various programs under NHM are transferred from the Pay& Accounts Office of MoHFW to the State Treasuries and then from Treasuries to the SHS functioning in the State. Government of India transfer funds in the form of Grants-in-Aid to State treasuries through RBI on the basis of respective State Programme Implementation Plans (SPIPs) and approved Annual Work Plans which are prepared on the basis of District Health Action Plans (DHAPs) of each of the districts in the State. Under the umbrella of the integrated SHS/DHS each program has separate bank account, separate books of accounts and other financial records as per the requirements of each program and also submit separate financial activity reports at varying frequencies to the respective monitoring units in MoHFW (GOI).

5. Financing by Development Partners/ Donors:

Some of the programs of NHM are also supported by development partners such as the Asian Development Bank (ADB), The Global Fund to Fight AIDS, Tuberculosis and Malaria (GFATM)

/World Bank, etc. for which credit agreements have been entered into by GOI with the respective Development Partners. Compliance with specific fiduciary requirements of the

Development Partners will additionally need to be reported by the auditors. Copies of the legal agreements and other project documents will be provided to the auditors, if needed, by SHS/ concerned Programme Division in the State.
