4.3.1 Techno-commercial evaluation criteria:

This will be a techno commercial evaluation and accordingly the Technical evaluation will have 80% weightage and Commercial evaluation shall have 20% weightage. These weightages shall be taken into consideration for arriving at the Successful Firm. The evaluation methodologies vis-a-vis the weightages are as under:

Score will be calculated for all technically qualified Firms using the following formula:

$$S = (T/T \text{ High} \times 80) + (C \text{ Low}/C \times 20)$$

Where:

S = Score of the Firm

T = Technical score of the Firm

T High = Highest Technical score among the Firms

C Low = Lowest Quote of C among the Firms

C = Quote as provided by the Firm (please refer to Annexure 7)

The Firm securing the highest score becomes the successful Firm

For example – There are three bidders A, B and C.

Technical score will be arrived at treating the marks of the bidder scoring the highest marks (A) in Technical evaluation as 100. Technical score for other bidders (B, C, etc.) will be computed using the formula Marks of B / Marks of highest scorer A*100.

Similarly Commercial Score of all technically cleared bidders will be arrived at taking the cost quoted by L1 bidder i.e., the lowest quote from all technically qualified bidders (say C) as 100. Marks for other bidders will be calculated using the formula Commercial Score = Cost of L1 bidder / Cost quoted by bidder * 100.

A “Combined score” will be arrived at, taking into account both marks scored through Technical Proposal evaluation and the nominal commercial quotes with a weightage of 80% for the Technical Proposal and 20% for the Financial Proposal as described below.

The combined score is arrived at by adding Technical Score and Commercial Score. The successful bidder will be the one who has highest Combined Score.

| Sr. No. | Bidder | Technical Evaluation marks (T) | Nominal Bid Price in INR | Technical Score | Commercial Score | Combined Score (out of 100) |
|---------|--------|--------------------------------|--------------------------|--------------------------|--------------------------|-----------------------------|
| 1 | A | 95 | 71 | $95/95 \times 80 = 80.0$ | $60/71 \times 20 = 16.9$ | $80.0 + 16.9 = 96.9$ |
| 2 | B | 85 | 65 | $85/95 \times 80 = 71.6$ | $60/65 \times 20 = 18.5$ | $71.6 + 18.5 = 90.1$ |
| 3 | C | 90 | 60 | $90/95 \times 80 = 75.8$ | $60/60 \times 20 = 20.0$ | $75.8 + 20.0 = 95.8$ |

In the above example Bidder A with highest score becomes the successful bidder.

In case of more than one vender with equal highest score up to three decimal, then vender with highest (among those with highest equal score), technical marks will be considered for successful Bidder.

4.4 Eligibility cum Technical Proposal

Eligibility criteria for the Bidder to qualify this stage is clearly mentioned in Annexure 03 – Eligibility Criteria Compliance to this document. Any Party may change the address, email address and fax number to which notices are to be sent to it, by providing written notice to the other Party in one of the manners provided in this section.

6.4 Force Majeure

The Firm shall not be liable for forfeiture of its performance security, liquidated damages, penalties or termination for default, if any to the extent that its delay in performance or other failure to perform its obligations under the contract is the result of an event of Force Majeure.

For purposes of this Clause, "Force Majeure" means an event explicitly beyond the reasonable control of the Firm and not involving the Firm's fault or negligence and not foreseeable. Such events are Acts of God or of public enemy, acts of Government of India in their sovereign capacity, strikes, political disruptions, bandhs, riots, civil commotions and acts of war.

If a Force Majeure situation arises, the Firm shall promptly notify the Bank in writing of such conditions and the cause thereof within fifteen calendar days. Unless otherwise directed by the Bank in writing, the Firm shall continue to perform Firm's obligations under this Agreement as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

In such a case the time for performance shall be extended by a period(s) not less than duration of such delay. If the duration of delay continues beyond a period of three months,

the Bank and the Firm shall hold consultations in an endeavour to find a solution to the problem.

6.5 Assignment

The Firm agrees that the Firm shall not be entitled to assign any or all of its rights and or obligations under this RFP and subsequent Agreement to any entity including the Firm's affiliate without the prior written consent of the Bank.

If the Bank undergoes a merger, amalgamation, takeover, consolidation, reconstruction, change of ownership, etc., this RFP along with the subsequent Addendums published shall be considered to be assigned to the new entity and such an act shall not affect the rights of the Firm under this RFP.

6.6 Waiver

No failure or delay on the part of either party relating to the exercise of any right power privilege or remedy provided under this RFP document or subsequent agreement with the other party shall operate as a waiver of such right power privilege or remedy or as a waiver of any preceding or succeeding breach by the other party nor shall any single or partial exercise of any right power privilege or remedy preclude any other or further exercise of such or any other right power privilege or remedy provided in this RFP document all of which are several and cumulative and are not exclusive of each other or of any other rights or remedies otherwise available to either party at law or in equity.

- A liquidator or a receiver is appointed over all or a substantial part of the undertaking, assets or revenues of the other Party and such appointment continues for a period of twenty one (21) days;
- The other Party is subject of an effective resolution for its winding up other than a voluntary winding up for the purpose of reconstruction or amalgamation upon terms previously approved in writing by the other Party; or
- The other Party becomes the subject of a court order for its winding up.

The Firm understands the strategic importance of this Assignment and that it would require tremendous commitment of technical resources for the same from the Firm for the tenure of this RFP and subsequent Agreement. The Parties therefore agree and undertake that an exit at any point in time resulting due to expiry or termination of this RFP and subsequent Agreement for any reason whatsoever would be a slow process over a period of three (3) months, after the completion of the notice period of three (3) months. During this period, the Firm shall continue to provide the Deliverables and the Services in accordance with this RFP and subsequent Agreement and shall maintain the agreed Service levels.

Immediately upon the date of expiration or termination of the RFP and subsequent Agreement, the Bank shall have no further obligation to pay any fees for any periods commencing on or after such date.
