Section III: Scope of Work

The RFSDL proposes to empanel different types of service providers under five packages listing indicative list of tasks/ activities in the subsequent section. Every Package under this bid document shall be dealt mutually exclusively. Any addendums or extensions provided for a particular package shall not impact the procurement process of other packages.

The RFSDL envisages to provide services to the State Government, Departments, Corporations, Municipal/Local bodies/Authorities, Central Government, Union Territories and other entities owned or controlled by the Central Government, State government and Union Territories. Each opportunity received by RFSDL from its client should be treated as a separate job with defined job description including scope of work, deliverables & timelines for each job.

The Bidders with whom the Rate Contract will be signed (*hereafter referred as Service Provider*) will provide service & deliver assignment with required support from RFSDL & RFSDL's client. The service provider will deliver the output/deliverables to RFSDL to finalize and further present it to client.

RFSDL reserves the right to disqualify those bids where the quoted rates are extremely low or high and are seriously deviating from prevalent market trend.

The jobs to the Service provider shall be assigned using following two models-

1. Deliverable based assignment

Under this model, the RFSDL will draw out the scope of work, deliverables & timelines for each job. The detailed terms of references will be then circulated to the service providers requesting for technical proposals.

Further details are as follows-

1. Under this model, RFSDL will prepare and finalize a job description including detailed terms of reference indicating nature of work, duration, resources required, place of deployment, reporting officer, deliverables or milestones (mandatory), selection criteria etc.

2. This model further has two sub-models, will have to further bifurcate as follows-

- Quality based model- In this sub-model, RFSDL shall also provide the resource estimates along with the terms of reference. Since the rate per resource and resource estimates are already derived, the selection of the Consultancy Organizations will be based on the quality/technical parameters.
- Quality and cost based model- In cases where RFSDL is unable to derive the resource estimates and only provides terms of reference.
 - In such case, the interested Consultancy organization will have to provide the resource deployment schedule indicating the man-month efforts of the required consultants at various levels at the rates finalized through this Rate Contract. In such cases the selection of the Consultancy Organizations will be based on the quality/technical parameters and financial parameters.
 - RFSDL may evaluate the proposals for selection of one of the Service Providers and if desired the bidders may be called for presentation.
 - After approval of the cost/time estimates by RFSDL, it will issue a work order for job assignment.

3. For certain packages and services (Package 2 and 5) where rates are not agreed through this Rate Contract or Empanelment, the financial bid will be sought for a particular job.

4. The resources of the selected Service Provider deployed on a job will use their own infrastructure when working from RFSDL or RFSDL Client's premises. The RFSDL or RFSDL's Client's responsibility will be restricted to provide work space and environment for the service provider's official work related to the assigned job.

2. Resource Augmentation

RFSDL may hire technical, financial and managerial manpower with defined objective for a defined period of time through payment on man-month basis as per finalized rates agreed in the Rate Contract.

The bidders would be expected to provide services for the on-going/now projects. Such support would be for definite period and will not amount to any kind of employment obligation on the part of RFSDL.

Any party to the contract commits a breach of contract that is so fundamental that it deprives the other party to the contract of substantially the whole of contract's benefits is stated to be the fundamental breach of contract. Therefore, any breach of conditions relating to essence of any contract is termed as fundamental breach of contract. Time assigned for completion of contract and the quality of goods/work/services or any other condition of contract are generally the essence of the contract; or 3. if the Service Provider, in the judgment of the RFSDL has breached any provision of the Code of Integrity, as defined in the RTPP Act and the RTPP Rules.
		9.1.2.	In the event the RFSDL terminates the Contract in whole or in part, pursuant to GCC Clause 9.1.1, the RFSDL may procure, upon such terms and in such manner as it deems appropriate, the Services similar to those undelivered or not performed, and the Service Provider shall be liable to the RFSDL for any additional costs for such similar Services and such additional cost shall be recovered from the dues of the Service Provider with the RFSDL.
9.2.	Termination for Insolvency	9.2.1.	The RFSDL may at any time terminate the Contract by giving Notice to the Service Provider if the Service Provider becomes bankrupt or otherwise insolvent. In such event, termination will be without compensation to the Service Provider, provided that such termination will not prejudice or affect any right of action or remedy that has accrued or will accrue thereafter to the RFSDL.
9.3.	Termination for Convenience	9.3.1.	RFSDL may by written notice, sent to the selected service provider, terminate the work order and/or the Contract, in whole or in part at any time of its convenience. The notice of termination will specify that termination is for RFSDL's convenience, the extent to which performance of work under the work-order and/or the contract is terminated and the date upon which such termination becomes effective. RFSDL reserves the right to cancel the remaining part and pay to the selected service provider an agreed amount for partially completed Services.
9.4.	Closure of Work Order	9.4.1.	No Claim Certificate and Release of Contract Securities: After mutual reconciliations of outstanding payments and assets on either side the Service Provider shall submit a 'No-claim certificate' to the RFSDL requesting further for release of its work order related securities, if any. The RFSDL shall release the work order related securities without any interest, if there is no outstanding obligation, asset, or payments due from Service Provider.
		9.4.2.	Completion of obligation: The work order shall stand closed upon successful performance of all obligations by both parties to the Work Order,

			including completion of defect liability period obligations and final payment.
		9.4.3.	Upon Termination: Contract shall also be treated as closed on Termination and settlements if any thereafter as per clause 9.1, 9.2, 9.3 and 9.4 above.

10. Exclusive Jurisdiction

#	Clause		Sub - Clause
10.1.	Jurisdiction of Courts	10.1.1.	The Courts at Jaipur, Rajasthan shall alone have jurisdiction in respect of all claims and matters arising under the contract for the provision of Services.
