Terms of Reference (TOR)

1.1 Introduction

The Department of Posts (DoP) is a Government Department under the Ministry of Communications of the Government of India. It is responsible for providing postal services in India, including mail delivery, money orders, and savings bank services etc. The North East Circle is headed by the Chief Postmaster General, Department of Posts. The DoP has a network of over 4522 post offices across Circle. These post offices are classified into 3 types: Head Post Offices, Sub-Post Offices, and Branch Post Offices. Head post offices are located in major cities and towns. Sub-post offices are located in smaller towns and villages. Branch post offices are located in rural areas. For administrative efficiency, the network is further divided into 7 Postal Divisions.

1.2 Background:

GST Structure and Complexities

The Goods and Services Tax (GST) structure in DoP is uniquely multifaceted. With 12 GSTINs (GST registrations) in the circle, each CDDO (Cheque Drawing and Disbursing Officer) functions as a separate GST-registered person. While the majority of these GSTINs reside within operational Head Post Offices, others belong to accounts or other offices.

This configuration creates inherent complexities:

- **Decentralized Business and Expenditure:** Revenue-generating postal services are delivered by operative post offices, while administrative offices incur associated expenditures. Often, a single administrative office oversees multiple GST-registered locations.
- **Disparate Procurement:** The Postal Stores Depot, without its own GSTIN, procures supplies for operative offices spread across numerous GSTINs.
- **Individual Return Filing:** Each GST-registered person is independently responsible for filing returns.

1.3 Key Challenges

The Circle faces a range of challenges in interpretation and implementation in compliance to GST, as summarized below briefly:

- **Day to day Operational GST issues:** GST registration person within the circle faces day-to-day GST issues.
- **Input Tax Credit (ITC) Issues:** Complexities in claiming ITC against administrative expenditures, assessing ITC applicability, and calculating eligible ITC amounts and appropriate utilization of ITC across all DDOs.

1.4 The Need for a GST Consultant

- A consultant will provide the technical expertise required to support Circle level GST committee and all DDO's under this Circle on day-to-day operational activities to streamline the GST compliance and assist in addressing the operational concerns that arise. Any policy related issues escalated to the Directorate through the Lead PAO, by Circle level committee will be with the opinion of Circle Level GST Consultant.

1.5 Objective

The objective of engaging a GST Consultant at the circle level is to ensure comprehensive GST

compliance, optimize GST Process and provide strategic support in resolving GST related issues within Postal Circle. The consultant will:

- **Provide Operational GST Support:** Support to Circle level GST committee/GST registration person within the circle for day-to-day GST issues & also help to DDOs/NCDDOs in Troubleshooting. Assist GSTRPs in verifying vendor invoices for GST compliance, monitoring timely filing of GST return etc. conducting GST audits of the DDOs and conducting meetings at DDO & RO level to streamline GST issues.
- **Guide about the GST Refunds:** Guide GSTRPs/DDOs through the GST refund process, including documentation, filing, and follow-up with authorities.
- **Liaison & Communication:** Maintain regular communication with the central GST consultant. Providing updates on circle-level compliance status and seeking guidance as needed.
- **Build GST knowledge and capacity:** Deliver GST training at various levels of DoP staff under the Circle and conduct regular refresher workshops to maintain staff expertise. Assist the central consultant in tailoring training materials for circle-level needs and potentially deliver local training sessions or workshops in line with the centrally designed curriculum and work towards the implementation of the “One State, One Registration” policy.
- **Provide Advisory Services:** Interpret and provide practical guidance to DDO’s on GST circulars and notifications issued by both central and state-level authorities. Identify GST related policy issues and escalate them to the central-level GST consultant with comprehensive analysis and relevant documentation for in-depth advisory support.
